On behalf of Kerkinactie I would like to express my appreciation for the cooperation with you and the professional way in which we have been working together in the development of the Center for Intercultural Dialogue and Translation. We have great confidence in the usefulness of the Egyptian Electronic Documentation Center in which, despite limited funding, you have been able to collect a considerable amount of relevant information for intercultural understanding (www.cawu.org).

Without hesitation Kerkinactie highly recommends the work of CIDT to other organizations. Your work is highly relevant and in our view a much needed initiative to facilitate improved communication, foster peace and understanding between Muslim and non-Muslim cultures and peoples.

Wishing you continued success in your work.

Yours sincerely
Kerkinactie

Sjoerd Haagsma
Program Officer
